

COMMUNITY PETITION FOR UNIFICATION STUDY (HOA2)

To the Board of Directors of SaddleBrooke HOA #2:

WHEREAS, the community of SaddleBrooke was split in two pieces in 1994, each portion governed by a separate Homeowner’s Association;

WHEREAS, conflict within the community threatens the reciprocal use of facilities and amenities, is financially suboptimal, and lowers homeowner property values;

WHEREAS, the board of each HOA has a fiduciary duty to their homeowners to explore alternatives to the current governance model;

WHEREAS, residents in past surveys have indicated a majority interest in a professional study of unification to re-join the two separate halves of SaddleBrooke;

THEREFORE, we the undersigned, all residents of SaddleBrooke HOA #2, do hereby petition the Board of Directors of SaddleBrooke HOA #2 to conduct a detailed cost-benefit analysis of unification of the two HOAs, utilizing the services of a professional third-party consulting firm, in the most expeditious manner possible, and announce their findings to the residents at large.
